ACKNOWLEDGEMENTS

The editors of this volume wish to thank Gareth Schmeling and Richard I. Pervo for providing an inviting preface and introduction to this volume. In addition, while preparing the introduction, Richard read all of the essays and then offered many helpful suggestions. We also acknowledge three Goshen College students, Anita J. Hooley, Hannah M. Eash, and especially Laurel J. Yoder, for taking on the tedious tasks of preparing the lists of abbreviations and bibliographies.

We also wish to express our gratitude to Christopher R. Matthews, our editor at the Society of Biblical Studies, who encouraged us to assemble this collection and who serves as editor of the SBL Symposium Series. We also thank Bob Buller and Leigh Andersen for their assistance with the publication of this volume.
