This series *Religions in the Graeco-Roman World* presents a forum for studies in the social and cultural function of religions in the Greek and the Roman world, dealing with pagan religions both in their own right and in their interaction with and influence on Christianity and Judaism during a lengthy period of fundamental change. Special attention will be given to the religious history of regions and cities which illustrate the practical workings of these processes. Enquiries regarding the submission of works for publication in the series may be directed to Professor H.S. Versnel, Herengweg 88, 2361 EV Warmond, The Netherlands, h.s.versnel@hetnet.nl.

This book is printed on acid-free paper.
