The early stages of the editing of this volume were greatly helped by Dr Demetrios Bathrellos and Professor Colin Gunton. The chapter by Robert Turner is adapted from 'Foundations for John Zizioulas' Approach to Ecclesial Communion', which appeared in *Ephemerides Theologicae Lovaniensis*, vol. 78, n. 4, 2002. Douglas Farrow's paper 'Person and Nature' has appeared in permission from *The Person of Christ*, (eds) Stephen R. Holmes and Murray Rae, published by T&T Clark, 2005, and Paul McPartlan's article 'The Local and Universal Church: Zizioulas and the Ratzinger–Kasper Debate' first appeared in the *International Journal for the Study of the Christian Church* 4.1, March 2004. All are reproduced here with permission. I am very grateful to Liviu Barbu for his bibliography of secondary works on John Zizioulas.
