Research Fraternity in Israel

עמנואל

# STATEMENT OF PURPOSE

*Immanuel* is an organ of religious research in Israel, dedicated to promoting dialogue between Christians and Jews and to disseminating abroad the experience gained in this dialogue. Each issue in the series is devoted to a focal theme and reflects the study programs, research and concerns of the Ecumenical Theological Research Fraternity in Israel. Its contributors are Jews and Christians living in Israel, together with others having a direct interest in the Christian-Jewish dialogue in this country.
